

Date: January 30, 2023		FAX THIS SHEET IN TO THE OFFICE AFTER YOUR MEETING!!!
Project Number#	Job Name:	Person Conducting Meeting:

Jobsite Inspection

Foreman, please have one of your crew members take the inspection sheet and walk our work area. Please have them look for safety/health hazards that we may be exposed to. At breaktime, review the findings with your crew and come up with a way to abate any hazards. If a hazard has to do with the GC or another trade, request that they remove the hazard to ensure no one on this jobsite is injured.

Please return both the sign-in sheet and the Jobsite Inspection sheet after lunch break.

Last week's Bonus Question:

How many pages are we to turn into the office from the 2023 Right-To-Know Packet?

Answer: There are **"5"** pages to return from the 2023 Right-To-Know Training Packet -

3 page RTK test, 2023 Additional Information Sheet & the Voluntary Use Respirator form.

Inspect your equipment (*scaffold, aerial lifts, ladders, fall protection, electrical cords, etc., etc.*) prior to the start of each work shift.

For **inspection packets or repair tags** call **Dave Sangren @ (612) 644-3136** to have some delivered to your jobsite.

Any questions give Sturg a call (612) 221-8603

PLEASE PRINT YOUR NAME

(Foreman please review sheet and verify crew members names are legible)

Comments:

As of **January 26, 2023** we have worked **67** days without a Lost Time Injury.

We have safely worked **84,132** hours towards our ATV goal of **150,000** hours!

We are 56% towards our goal of raffling off an ATV!

Toolbox Talks winner(s) for last week:

Scott Marshall @ Medtronic & Maurice Lopez @ Methodist Hospital

This week's Bonus Question: **How many stretches are on our Stretch/Bend Poster?**

Hint: **See poster**

"Building a Safer Place to Work" one week at a time.

Ice is Never 100% Safe!

Minimum Ice Thickness Guidelines for New Clear Ice Only

Ice Safety Tips

- Double the thickness guidelines for white or snow-covered ice.
- Carry two large nails to use as ice picks if you fall through.
- Avoid pressure ridges and areas with current.
- Warn children about the dangers of thin ice.
- Don't drive on the ice at night.
- Avoid alcoholic beverages.
